Weekly Offertory

Every year, you have the opportunity to reflect on and re-evaluate your giving in light of your commitment to your faith and your financial situation at this time.

Giving of the "first fruits" means making an offering to God of the first and best portion of all we receive. We do this both as a sign of our love and in thanksgiving for all the many blessings we have received. We give in proportion to what we have received. This means we give from our substance and not from our surplus. Giving only from our surplus is an action which has no power to transform either our values or our lives. Giving from our substance requires a sacrifice and leads to conversion of mind and heart.

Yes! I will support the weekly offertory at IHM Church

Finish In Faith

We still need your prayers and contributions to help us finish making our dreams reality. As you know, we Dedicated our New Church Building this past January. This was possible through all the generous contributions and pledges of our parishioners. We have done everything within our power and with the guidance of the Holy Spirit to ensure that we are spending your contribution wisely.

Your family should have received materials from the Archbishop during the week of October 5th.

Planned Giving

I have included Immaculate Heart of Mary Church in my will or estate plan

I would like to know more about the tax benefits of making a planned gift to Immaculate Heart of Mary Church.

Children

As parents it is also our responsibility to teach stewardship to our children. One way that we can do this is by encouraging our children to tithe part of their allowance or earnings to the church as a sign of gratitude for all that they have been given. In an effort to assist parents in this endeavor, we would like to begin offering children's envelopes.

We would like to receive children's envelopes
